

Why you should attend

- To acquire knowledge on global, regional and local flood risk management practice
- To close the gap between science, policy and practice
- To hear keynote speakers share their experience of flood risk management in the UK, Thailand, Australia, France, Danube catchment, USA, Vietnam and The Netherlands
- To learn about the latest, state-of-the-art technical and non-structural measures for flood risk management

Pricing

There are different fees for attending the conference

Full conference pass (3 days):	
registration before 31st August 2012	650 euro
late registration after 31st August 2012	750 euro
1 day pass:	
standard rate	350 euro
student rate	150 euro

Participant registration is possible on our website www.floodrisk2012.net. Whilst registering you can also book your hotel accommodation, the conference dinner and conference tours.

Tours

- Thanksgiving Day Tour
- Evening City Tours
- Flood Risk Management Highlights in The Netherlands
- Flood Risk Management Highlights of The Greater Rotterdam Area
- Flood Risk Management Highlights in Rotterdam

Social Programme

- Young Professionals Dinner (Tuesday Evening 20/11)
- Conference Dinner (Thursday Evening 22/11)

Gaming Room

Practice your flood risk management skills in our gaming room! Experience your position below sea level in virtual reality and try to deal with it. Visit our gaming room and take an active role in flood risk management yourself.

The 2nd European Conference on FLOODrisk Management
Science, Policy and Practice: Closing the Gap
20-22 November 2012 Rotterdam, The Netherlands

FLOODrisk
2012

Programme

Venue

FLOODrisk 2012 will be held in the World Trade Center in Rotterdam.

The city of Rotterdam is situated in the Rhine-Meuse delta thus Rotterdam provides an excellent meeting place to discuss all issues related to flood risk management.

Sponsorship and Exhibition

FLOODrisk2012 is the perfect place to meet with colleagues working in flood risk management and assessment. The conference includes a large exhibition area in which you can represent your organisation, products and services. For more information about sponsorship and / or the exhibition, please contact sponsor@floodrisk2012.net
